Design and Technology Three-Year Curriculum Plan and Progression and Skills Map

|  | Autumn |  |  | Spring |  |  | Summer |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | Year A | Year B | Year C | Year A | Year B | Year C | Year A | Year B | Year C |
| Class <br> 1 | Reception children are developing their design and technology skills through exploration and planned activities linked to the Understanding the World and Expressive Arts and Design areas of learning in the EYFSP. |  |  |  |  |  |  |  |  |
| $\begin{aligned} & \text { Class } \\ & 2 \end{aligned}$ | Textiles Fabric Bunting | Structures | Mechanisms <br> (sliders) <br> Moving <br> Pictures | Structures <br> Pirate <br> Paddy | Textiles <br> Fabric <br> Faces | Food Dips \& Dippers | Mechanisms (sliders) | Food Seasonal Salads | Textiles |
| $\begin{aligned} & \text { Class } \\ & 3 \end{aligned}$ | Structures | Textiles Juggling Balls | Mechanisms <br> Mechanical Posters | Textiles | Food Dips \& Dippers | Structures | Mechanisms <br> (wheels \& axles) | Structures Fly a Kite | Food <br> The <br> Great <br> Bread <br> Bake |
| $\begin{aligned} & \text { Class } \\ & 4 \end{aligned}$ | Textiles <br> Felt <br> Phone <br> Cases | Electricity Battery operated lights | Structures | Food Global Food | Mechanisms | Textiles | Structures | Digital Programming Adventures | Food |
| $\begin{aligned} & \text { Class } \\ & 5 \end{aligned}$ | Textiles | Mechanisms | Food Super Seasonal Cooking | Mechanisms | Electricity Battery operated lights | Structures | Structures | Digital Programming Adventures | Textiles |

| Progression of knowledge <br> and skills | Key Stage One | Lower Key Stage Two | Upper Key Stage Two |
| :---: | :---: | :---: | :---: |
| Mechanisms and <br> Mechanical Systems | Wheels \& Axles |  |  |
| Sliders \& Levers | Levers \& Linkages | Cams |  |
| Textiles | Templates \& Joining <br> Techniques | 2D shapes to 3D product | Using Computer-aided Design <br> in textiles |
| Structures | Free-standing Structures | Shell structures <br> Combining different fabric <br> shapes |  |
| Food | Preparing Fruit \& Veg | Shell structures using <br> Computer-aided Design | Frame structures |
| Electricity and Electrical Varied Diet |  |  |  |
| Systems |  | Cimple circuits \& switches <br>  <br> Control | Monitoring \& Control <br>  <br> circuits |
