Shine like stars

Dear Parents,

Thank you for your interest in St. Anne's Fulshaw CE Primary School.

We believe school should be a welcoming place, both inviting and exciting, and we hope that you sense the friendliness and warmth when you arrive here. We pride ourselves on being a caring community for all children. All children are treated equally in the opportunities for development and learning that we offer to them.

Positive attitudes to work are fostered so that every child can experience success, and through success, develop confidence, so that the next step in their education can be made with ease. Children receive encouragement and nurture to progress and develop to the very best of their abilities.

We aim to help our children to strive for excellence within themselves, to evaluate their own and their peers' learning, and to accept constructive feedback. We help them to develop creativity, perseverance, adaptability and pride in their work. We are certain these skills will be of use to every child as they progress through life.

All adults working in our school recognise their importance as role models for the children in our care, and embrace the school's ethos of gentle nurture, compassion and inclusion. In all our involvement with the children, both academic and pastoral, we aim to model positive values and behaviours, equipping every child with meaningful attitudes to life and laying a firm foundation for their future.

Our school offers children in Wilmslow an opportunity to learn in a safe, happy and supportive community, based on Christian values. We look forward to meeting you and welcoming you to our school.

Yours sincerely,

C Daniel
